# FREQUENTLY ASKED QUESTIONS

**Ques.1. In which class can my ward join FIITJEE Program?**

**Ans.** FIITJEE Faridabad provides classes from Class VIII onwards.

**Ques.2. How does FIITJEE set the scholarship for any student?**

**Ans.** On the basis of performance in admission test of FIITJEE.

**Ques.3. How do you compare FIITJEE Faridabad to other coaching institutes in Faridabad?**

**Ans.** The success of any educational institute is governed by the results in any academic year. The batch, in 2017 consisted of 320 students as a whole who appeared for the JEE exam. Out of those, 191 qualified in JEE Main and 103 qualified in JEE Advanced. The city toppers of both JEE Main and JEE Advanced are from FIITJEE Faridabad. **Moreover our 2 students secured rank in top 100 AIR and 9 students secured rank in top 1000 AIR and no coaching institute in Faridabad having rank in top 1000 apart from FIITJEE.**

**Ques.4. Should student join tuitions apart from FIITJEE classroom program?**

**Ans.** No. If the student is joining tuitions along with coaching classes then there will be no time left for self-study which is must to point out the weak topics and practicing them. Additionally, there are chances that there could be a different teaching pattern and a difference in the pace according to which a topic is taught. This will ultimately confuse the student and he/she will not be able to understand the concept.

**Ques.6. Can a student appear in the admission test for the second time?**

**Ans.** Yes, the student can appear for second time. However, the scholarship awarded will be scaled down by one slab if he/she appears twice in the same academic year

**Ques. 8. What are the subjects taught in various class of FIITJEE and does it help with their board exams preparation?**

<b>Class( Going To)</b>	<b>Program Name</b>	<b>Goal( Objective ) of the Program</b>	<b>Subjects Covered</b>
VIII	Udaya One year program	Logical thinking, IQ, Mental Ability, Olympiads, NSEJS	Mental Ability, Physics, chemistry, Biology, Mathematics
IX	Four year classroom Program IITJEE Advanced 2022	Olympiads,NTSE, Xth Board, KVPY, XII Board, IITJEE Main, IITJEE Advanced	IX and X-Science, Maths, Social studiesand Mental Ability XI and XII- Physics, Chemistry, Maths
X	Three year classroom Program IITJEE Advanced 2021	Olympiads,NTSE, Xth Board, KVPY, XII Board, IITJEE Main, IITJEE Advanced	IX and X-Science, Maths, Social studiesand Mental Ability XI and XII- Physics, Chemistry, Maths
XI	Two year classroom Program IITJEE Advanced 2020 School integrated	KVPY, XII Board, IITJEE Main, IITJEE Advanced	IX and X-Science, Maths, Social studiesand Mental Ability XI and XII- Physics, Chemistry, Maths
XI	Two year classroom Program IITJEE Advanced 2020	KVPY, XII Board, IITJEE Main, IITJEE Advanced	Physics, Chemistry, Maths
XII	One year classroom Program IITJEE Advanced 2019	KVPY, XII Board, IITJEE Main, IITJEE Advanced	Physics, Chemistry, Maths

**Ans.** We start with the basic concepts to be taught according to the CBSE level and then move to a higher level which is a must for the preparation of competitive exams. Therefore, if a student has a good command over difficult questions then naturally his basic concepts are clear which match with the board pattern.

**Ques 9. How are the batches made in FIITJEE coaching institute?**

**Ans.** A batch consists of 40 to 45 students per class. Additionally, the students with same IQ level are considered to be a part of same batch so as to maintain uniformity and smoothness in the teaching pattern.

**Ques.10. How do you evaluate a student's performance in FIITJEE?**

**Ans.** FIITJEE evaluates a student's performance through regular class tests, assignments, phase tests, AIITS and AITS. After the phase test, a student has a chance of upgrading himself in the top batch which is decided by the marks scored in the particular test.

**Ques.11. What is the difference between regular classroom program and weekend classroom program?**

**Ans.** There is a difference of only the class timings. In a regular classroom program, the classes are conducted 3-4 days a week between Tuesdays to Friday. On the other hand, the classes are conducted on Saturday, Sunday and one or two days between Tuesdays to Friday if a student joins weekend classroom program. Fees for both program is different.

**Ques.12. what are the modes of payment available while enrolling the student?**

**Ans.** The initial payment has to be made in the form of DD or NEFT only. The rest payment is done in the form of Post Dated Cheques.
