## FREQUENTLY ASKED QUESTIONS

**Ques.1. In which class can my ward join FIITJEE Program?**

**Ans.**FIITJEE Faridabad provides classes from Class VIII onwards.

**Ques.2. How does FIITJEE set the scholarship for a particular student?**

**Ans.** On the basis of performance in admission test of FIITJEE.

**Ques.3. Are the students allowed to come to the centre apart from the class timings?**

**Ans.** Yes, FIITJEE runs Doubt Clearing Sessions in which the students can come and clear their doubts, if any.

**Ques.4. How do you compare FIITJEE Faridabad to other coaching institutes in Faridabad?**

**Ans.** The success of any educational institute is governed by the results in any academic year. The batch, in 2017 consisted of 320 students as a whole who appeared for the JEE exam. Out of those, 191 qualified in JEE Main and 103 qualified in JEE Advanced. The city toppers of both JEE Main and JEE Advanced are from FIITJEE Faridabad.

**Ques.5. Should student join tuitions apart from FIITJEE classroom program?**

**Ans.** No. If the student is joining tuitions along with coaching classes then there will be no time left for self study which is must to point out the weak topics and practicing them. Additionally, there are chances that there could be a different teaching pattern and a difference in the pace according to which a topic is taught. This will ultimately confuse the student and he/she will not be able to understand the concept.

**Ques.6. What is the pattern for FIITEE's Admission Test?**

**Ans.** At the junior level, i.e for Class V to IX, the questions include that of IQ, Science and Mathematics. At the senior level, i.e for Class X to Class XII Pass, the questions include that of IQ, Physics, Chemistry and Mathematics. There are two objective tests conducted, each with duration of three hours. Additionally, the second test includes negative marking.

**Ques.7. Can a student appear in the admission test for the second time?**

**Ans.** Yes, the student can appear for second time. However, the scholarship awarded will be scaled down by one slab if he/she appears twice in the same academic year.

**Ques.8. Is there any transfer policy in FIITJEE?**

**Ans.** Yes, the student is eligible to get transferred in any of the centres of FIITJEE. You need to submit an application for transfer in the respective study centre. Considering the student's performance and batch availability, the student can get transferred to the desired centre on paying certain nominal charges.

**Ques. 9. What are the subjects taught till Class X level and does it help with their board exams preparation?**

**Ans.** The subjects taught till Class X include Science, Mathematics, S.St and MAT. We start with the basic concepts to be taught according to the CBSE level and then move to a higher level which is

a must for the preparation of competitive exams. Therefore, if a student has a good command over difficult questions then naturally his basic concepts are clear which match with the board pattern.

**Ques 10. What are the benefits of Big Bang Edge Test?**

**Ans.** Big Bang Edge Test provides certain early joining benefits. These include a sense of satisfaction students get on joining FIITJEE, lesser fee for the current academic year and support classes to the students for the class they are presently in.

**Ques 11. How are the batches made in FIITJEE coaching institute?**

**Ans.** A batch consists of not more than 40 to 45 students. Additionally, the students with same IQ level are considered to be a part of same batch so as to maintain uniformity and smoothness in the teaching pattern.

**Ques.12. How do you evaluate a student's performance in FIITJEE?**

**Ans.** FIITJEE evaluates a student's performance through regular class tests, assignments, phase tests, AIITS and AITS. After the phase test, a student has a chance of upgrading himself in the top batch which is decided by the marks scored in the particular test.

**Ques.13. What is the difference between regular classroom program and weekend classroom program?**

**Ans.** There is a difference of only the class timings. In a regular classroom program, the classes are conducted 3-4 days a week between Tuesday to Friday. On the other hand, the classes are conducted on Saturday, Sunday and one or two days between Tuesday to Friday if a student joins weekend classroom program.

**Ques.14. What are the modes of payment available while enrolling the student?**

**Ans.** The initial payment has to be made in the form of DD or NEFT. The rest payment is done in the form of Post Dated Cheques.
